

MeclabsAI for Resellers, Affiliate Marketers, and Influencers

Have your VA build an AI version of you to sell to your audience in just 30 minutes

Get 40% on all re-occurring revenue for lifetime plus 10% on all referral partner sales

Your time is valuable. And your audience rightly wants it. With MeclabsAI, you can sell them the next best thing – an **AI version of you**.

So instead of just selling ebooks and online courses as the entry level for your product ladder, you can sell an **interactive advisor** where your audience can benefit from your expertise...before they are able to (or are ready) to buy time with you and/or your team.

And MeclabsAI has made it so **easy to build** an AI version of you, you can outsource it to your virtual assistant.

Plus, not only will your audience get AI you, they'll also get all of the features of MeclabsAI in a co-branded package. With a foundation built upon the Meclabs Institute's **20+ years of empirical research across thousands of marketing experiments**.

MeclabsAI is uniquely positioned as your audience's go-to, AI-driven marketing advisor. Together, we offer an **unbeatable value proposition**.

What your audience gets:

You can see everything your audience gets on the [MeclabsAI pricing page](#).

What you get:

- 💰 An easy way to monetize previous content you've already created by making an AI version of you
- 👤 An opportunity to co-brand with one of the early pioneers of digital marketing, Meclabs Institute (parent organization of MarketingSherpa and MarketingExperiments)
- 📈 Get 40% on all re-occurring revenue for lifetime plus 10% on all referral partner sales
- 📊 An easy-to-use dashboard that shows how many visitors and conversions you've gotten to your custom landing page
